Chinese Turtle Pendant

WE NEED TO USE TWO STRINGS AROUND 100 CM LONG AND START IN THE CENTRE:-

KEEP REPEATING THE ABOVE 1,2,3 UNTIL YOU THINK THE NECK IS LONG ENOUGH. THEN, START TO MAKE THE SHELL:-

THE BELLY AND THE SHELL IS THE SAME.

THE ONLY DIFFERENT IS THE BELLY YOU NEED TO ADD ONE MORE STRING, THE SHELL YOU NEED TO ADD TWO STRINGS. AFTER YOU PUT THE LEGS AND TAIL, GLUE THEM ALL TOGETHER.

IN ORDER TO FIX THE SHAPE, PUT THE STRING INSIDE THE SHELL. (JUST USE THE LEFT-OVER, DON'T WASTE IT.

SOMETIMES THE SHELL WILL NOT COME OUT RIGHT THE FIRST TIME YOU MAKE IT. BUT KEEP SHAPING AND TYING UNTIL YOU GET IT RIGHT.
